"But thanks be to God, who in Christ always leads us in triumphal procession, and through us spreads the fragrance of the knowledge of him everywhere." **(2 Corinthians 2:14)**

Dear friends and family,

Gratitude is the word we would like to express to our God and all of you for your prayers and generous partnership in our lives and ministry. We pray that God will bless you and your family with health, protection, and provision for all your needs.

We are enjoying this Spring in Texas very much, especially after surviving the unprecedent frozen winter that hit our state. **Bluebonnets are everywhere exuberating the fragrance of God's love**.

God has blessed us with good heath and has used us to serve Him faithfully even during this long pandemic year! **Lucy and I have already been fully vaccinated against COVID-19** and we can't wait to be able to return to make mission trips in the countries we serve.

We ask you to pray for Brazil. The situation with Covid-19 there is devastating. Thousands of people dying daily. We have had friends and family members who have died, and many families are suffering tremendously.

I just finished teaching the book of Revelation and now **I am teaching a group of 50 Chinese friends from a church in Brazil through Zoom**. **They are reading a book of Chuck Swindoll: Dropping Your Guard. In Portuguese, the tile is Living without masks**. It is all about restoring and cultivating real relationships. We believe that this is crucial for the times we are living.

As the international liaison of our organization, we have had meetings weekly with our missionaries to check, encourage and pray with them. It's been a blessing watching God's work in the worldwide.

About the project to buy a motorcycle for our missionary kris in Nepal. A have great news for those who prayed and donated for this project:
By God's grace we were able to raise $6,000 dollars. Krishna Batha, our missionary is thankful and incredibly happy to use this vehicle in his ministry sharing the gospel in the remote villages of the Himalayas, Nepal. **Thank you so very much everyone who generously donated!**

With profound gratitude for your prayers and faithful generous investment in our ministry.
We love y'all.
